

## **Workshop for Teachers and Non-formal Educators: Active Strategies for Environmental Education**

Please join Baylor University's Center for Reservoir and Aquatic System Research and the Cameron Park Zoo in learning from **Amanda Patrick**, Environmental Education and Outreach Specialist with the U.S. Fish and Wildlife Service, as we explore ways to engage active learners. You'll get some "make and take" items for your classroom as well as some easy to implement lesson plans that connect directly with national standards in math, science and English. Modifications will be covered for the inclusive classroom. If you've ever struggled with the reluctant learner, these activities are sure to reach the hardest to reach.

**Date:** Thursday, Aug 12<sup>th</sup> 2010

**Time:** 10 a.m. to 3 p.m.

**Location:** Cameron Park Zoo Ranch House

**BAYLOR**  
UNIVERSITY

For directions and info about the zoo visit their website at: <http://www.cameronparkzoo.com/>

**Cost: \$10 registration fee includes programming and materials**

**Zoo policy does not allow for outside food to be brought into the zoo, so plan to eat at the Treetop Café or bring a lunch and picnic in Cameron Park**

**Enrollment is limited—please register by July 23rd!**

**Contact:** Melissa Mullins, Environmental Educator, (254) 710-2382 or [Melissa\\_mullins@baylor.edu](mailto:Melissa_mullins@baylor.edu)

### **Pre-registration is required:**

Check [www.baylor.edu/crasr](http://www.baylor.edu/crasr) for on-line registration via credit card OR

To pay with a check, complete the form below and mail it along with your registration payment to the address shown. Checks should be made payable to Baylor University- CRASR.
