

Heart of Texas Master Naturalist Chapter 2009 Training

You are invited to attend an informational meeting about Texas Master Naturalists on **Wednesday January 14th from 5 to 6 pm** in **Baylor Science Building (BSB) E234**

- Master Naturalists <http://masternaturalist.tamu.edu/> learn about and volunteer in natural resource management in their communities
- The Heart of Texas Chapter plans to hold 2009 training the first Monday evening of each month at the BSB with several weekend field trips to local natural areas
- Come get more information and an application! 2009 Training Coordinator: Melissa_mullins@baylor.edu; (254) 710-2382
