

A Workshop for Teachers and Non-Formal Educators (4th-6th grade)

Wetlands provide tremendous benefit to our environment, economy and well being. They are also powerful places in which to learn. Join the City of Waco and Baylor University for this half-day workshop to learn skills and methods for teaching about water, wetlands and waterfowl. You will participate in fun, hands-on activities from the Project Webfoot Educators Kit, *WOW! The Wonders of Wetlands*, and the *Project WET Curriculum and Activity Guide*. Come prepared for both indoor and outdoor settings. January is a great time for ducks at the wetland!

Materials: Participants will receive a FREE Project Webfoot Educators kit and a FREE classroom set of student materials

Date: Saturday, January 9th, 2010

Location: Lake Waco Wetlands Research and Education Center
1752 Eichelberger Crossing Road, China Spring TX

For a map go to www.lakewacowetlands.com

Time: 8:30 a.m. to 12:30, pack yourself a picnic lunch if you want to eat on-site

Cost: \$10 registration fee

Enrollment: Limited to 20 participants.

Presenters: Nora Schell, Melissa Mullins and Sara Seagraves. Nora is the program coordinator at the Lake Waco Wetlands and has made hundreds of presentations to students involving wetlands and their importance. Melissa and Sara are environmental educators with Baylor University at the Center for Reservoir and Aquatic Systems Research (CRASR). CRASR is a Project WET host partner, and all presenters are Project WET and/ or WOW! Facilitators.

Pre-registration is required:

You can mail a check for \$10, with your name and contact information (include grade level and school) to:

Vas Tibbs, Center for Reservoir and Aquatic Systems Research, Baylor University
One Bear Place, #97178
Waco TX 76798

Or you can register on-line—to find out how, contact Vasana_tibbs@baylor.edu or (254) 710-2358.
